

Trading, Manufacturing, Processing & Contracting

**KUBER ENTERPRISES**

Your transmission conductor partner.

# About Our Company

Commencing with the **trading** of conductors, the venture progressed towards the development of **production** facilities dedicated to conductor fabrication.

With a wealth of experience spanning more than **35** years, our expertise extends across various sectors within the NCR region and encompasses **partnerships** with a network of associates **nationwide**.

Our esteemed product range features a variety of **conductors** (ACSR, AAC, AAAC & ACAR), industrial **earthing** cables, **aerial bunched** cables, **aluminium** and **steel wires** designed for a wide array of applications.

In our pursuit, we source **aluminum** wire rods, **transmission conductors**, aluminum cables, steel wire rods, and steel cables as our primary procurements.

**35** +  
YEARS OF  
EXPERIENCE

WAREHOUSES  
AMIDST NCR

**6** +  
SUBSIDIARIES

# Our offerings & business life cycle

Electrical | Construction | Security | Recycling

## Conductors

**Industrial Conductors** including:

- **ACSR** (Aluminium conductors - Steel reinforced)
- **AAC** (All aluminium conductors)
- **AAAC** and **ACAR**

## Cables

- Earthing-purposed cables include **GI Wire, Earthing Wire**.
- Cables like **Aerial Bunched cables**.
- **Steel reinforcements** using Steel and earthing cables.
- **Aluminium cables**, steel cables.
- Aluminium, steel **wire rods**.

## Aluminium Scrap & Components

- **Aluminium wire scrap, Automobile scrap** including **pistons, connecting rods**.
- **Security** components including **concertina (PTCC)** and **Barbed wires (RBT)**.
- Structural components including **stay rods, elbows, sets**.
- Welded **mesh components**, components for construction including nails, screws, hangers etc.

# Applications

## ELECTRICAL

**ACSR, AAC, AAAC, ACAR  
Conductors, Rail lines, Aerial  
Bunched cables (ABC), steel  
Reinforcement cables**

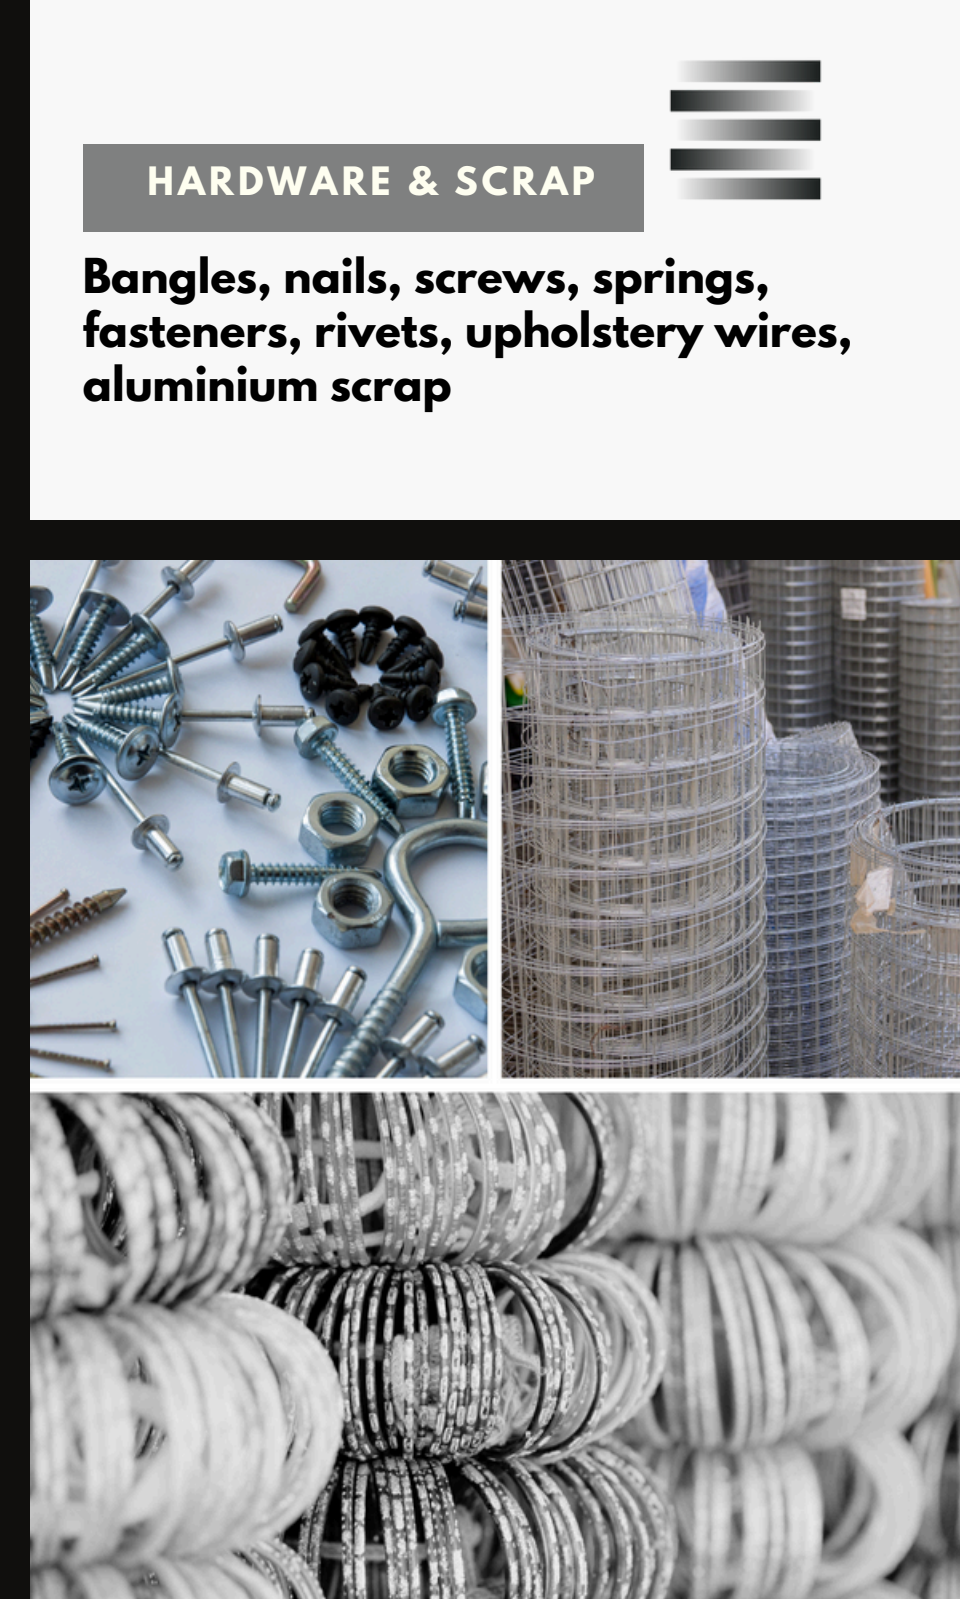

## EARTHING & CONSTRUCTION

**Stay wires, GI wires, earth wires,  
Stay rods, stay elbows, stay sets**

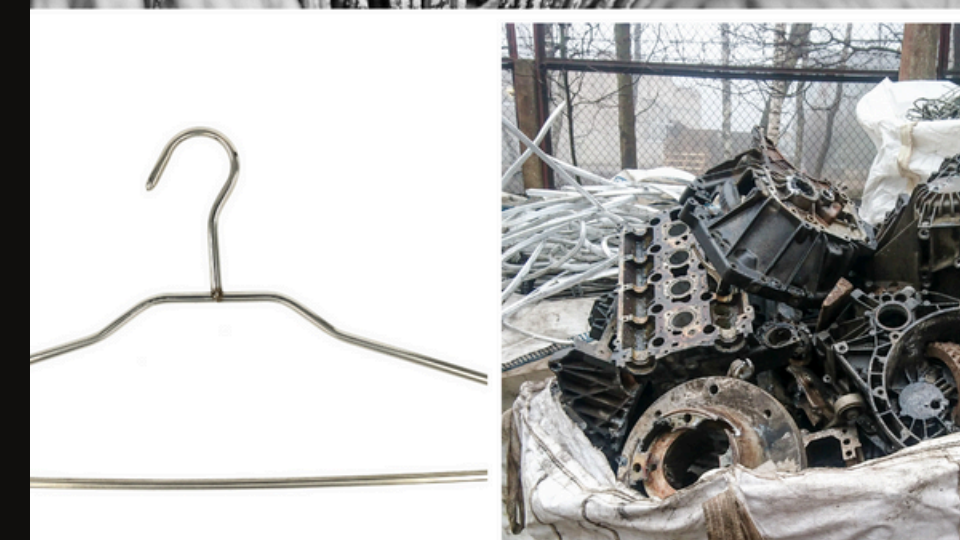

## SECURITY

**Barbed wires (RBT), concertina  
wires (PTCC), welded mesh, wire  
mesh**

## HARDWARE & SCRAP

**Bangles, nails, screws, springs,  
fasteners, rivets, upholstery wires,  
aluminium scrap**

# ACSR CONDUCTOR DIFFERENTIATION

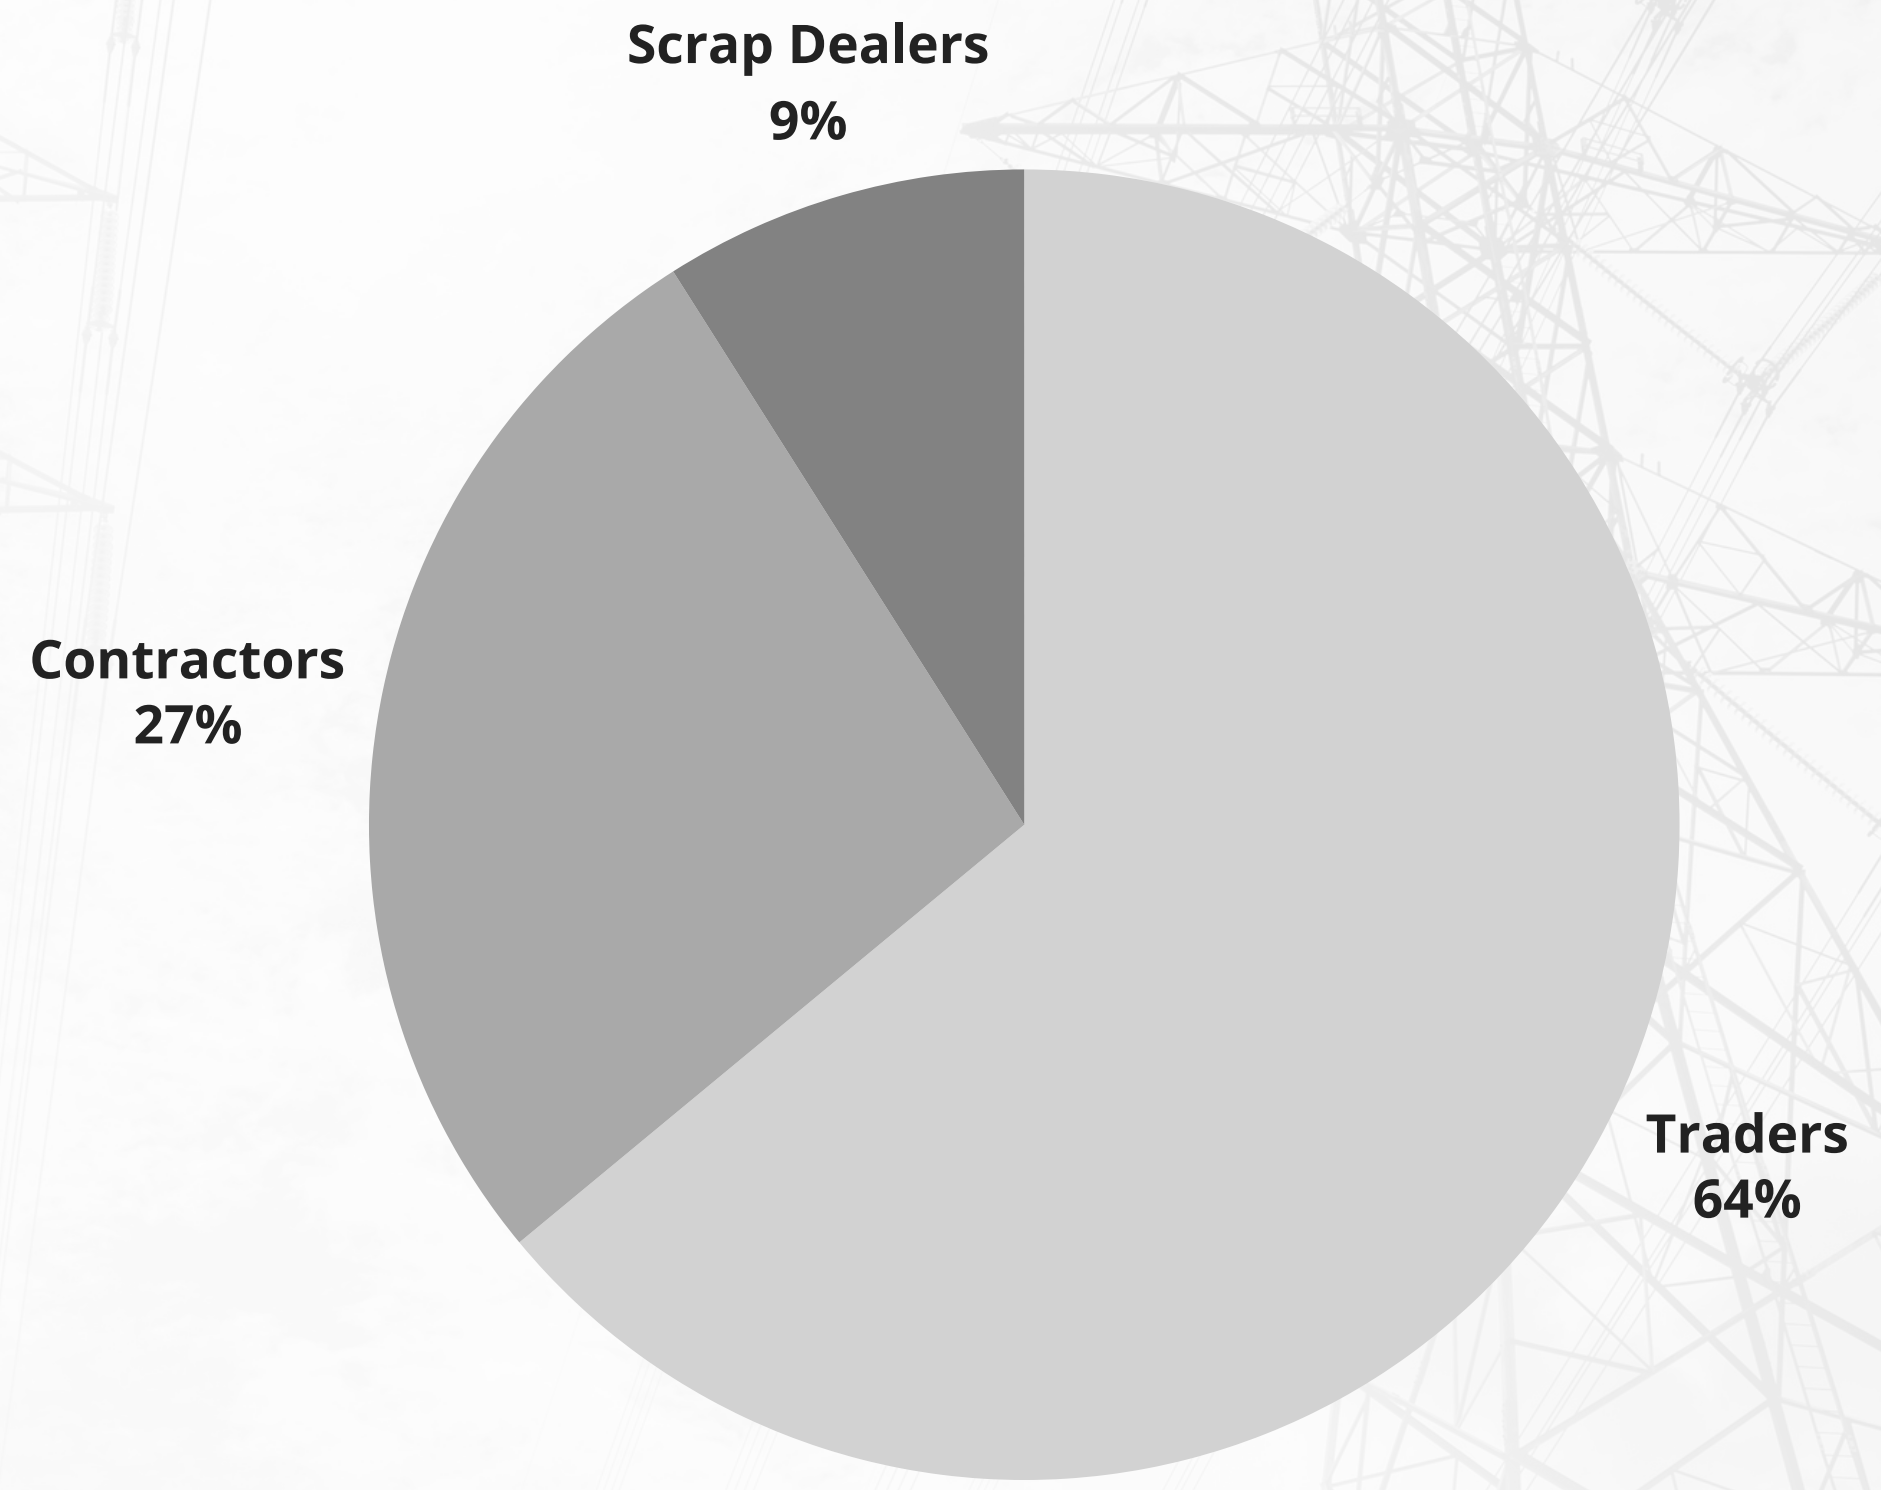

KUBER ENTERPRISES

ACSR Conductor Code	AREA (mm <sup>2</sup> )	SIZE Al/St/Dia.(mm.)	WEIGHT (Kg/Km)	Current (A) Capacity at 45.C* (Amp)
<b>Mole</b>	10	6/1/1.50	43	90
<b>Squirrel</b>	20	6/1/2.11	85	130
<b>Weasel</b>	30	6/1/2.59	128	170
<b>Rabbit</b>	50	6/1/3.35	214	240
<b>Raccoon</b>	80	6/1/4.09	320	300
<b>Dog</b>	100	6/4.72+7/1.57	394	360
<b>Wolf</b>	150	30/7/2.59	726	470
<b>Panther</b>	200	30/7/3.00	974	560
<b>Zebra</b>	420	54/7/3.18	1622	860
<b>Moose</b>	520	54/7/3.53	1998	980
<b>Gopher</b>	25	6/1/2.36	106	150
<b>Fox</b>	35	6/1/2.79	149	190

<b>Deer</b>	420	30/7/4.27	972	870

# MAJOR CUSTOMERS

The main beneficiaries of our business

## CHANNEL FOR PURCHASE OF MATERIALS

### PRIVATE PLAYERS

- To source wire rods for cable manufacturing.
  - To source pre-owned conductors for recycling, refurbishing, and drawing.
  - To source Aluminium and steel cables for distribution
  - To procure wires for ACSR, AAC conductors.
- 

### AUCTIONS

To procure used conductors for recycling and refurbishing purposes from Private Players and PSU's.

---

# Business life cycle

from orders, manufacturing to delivery and service

### MANUFACTURING

Manufacturing ACSR, AAC, AAAC conductors, ABC cables, aluminium cables, steel wires, etc., based on client specifications.

### BUSINESS ENQUIRY

**Business Inquiry and Sales:** For government contractors, retailers, and dealers, we welcome inquiries regarding our range of products including conductor cables, aluminum cables, steel wires, and aluminum scrap.

### QUALITY ASSURANCE & SERVICE

Assuring the delivery of the items ordered by the clients in the best possible quality with minimal or no defects

KUBER ENTERPRISES

### LOGISTICS & SERVICE

Ensuring timely delivery with convenience for the buyer and the best possible post-sales support.
